Class Teacher's Remarks

Aarav's performance this academic year has been deeply disappointing and a matter of serious concern. He has consistently failed to meet the minimum academic standards across all subjects, showing little effort or engagement in classroom activities. His attendance has been alarmingly poor, reflecting a lack of commitment and discipline. Aarav frequently fails to submit assignments on time and often appears disengaged and inattentive during lessons. His behaviour with peers has at times been disruptive, and he has shown limited respect for school rules and expectations. We strongly urge his parents and guardians to intervene immediately, ensure regular attendance, and provide structured academic support at home. If there is no significant improvement, promotion to the next grade cannot be considered. A parent–teacher meeting is mandatory before the next term commences.
